

Yuvraj Sen

Udaipur, rajasthan, 313001, India, 7877095426, senyuvraj90@gmail.com

PROFILE

Motivated engineering student with a strong interest in **Python, OCR, Document Processing, and AI-based solutions**. Passionate about building real-world, scalable tech products using ***AI, ML, and modern development tools***, and eager to gain hands-on industry experience through impactful internships.

EDUCATION

Mar 2024	Maharana Mewar Public School	Udaipur, Rajasthan
	Class 12 – Completed	
	Class 10 – Completed	
Sept 2024 — Oct 2028	Techno NJR Institute of Technology, Udaipur	
	Bachelor’s Degree (Currently Studying)	

SKILLS	Python	Skillful	React Native	Beginner
	C++	Skillful	Problem-solving	Experienced
	AI-assisted development	Expert	AI prompt engineering	Experienced

Projects

OCR & Document Processing Projects

- * **OCR-1st:** Python-based OCR system using PyTesseract, image preprocessing, and structured text extraction from images
- * **OCR-2nd:** C#-based OCR project focused on text extraction workflows, expanding your OCR competence across languages and platforms.

Blockchain Project

- * Explored Polkadot ecosystem & Web3 fundamentals, focusing on decentralized application concepts
- * **Blue Carbon MRV (SIH Project):** Built a Blockchain based Monitoring, Reporting, and Verification (MRV) application to manage **mangrove site data, carbon credit records, and user authentication**,, developed as part of **Smart India Hackathon (SIH)**.

Personal Projects

- * **Medtech:** Prototype application focused on processing and organizing medical-related data, demonstrating interest in domain-specific tech solutions.
- * **Neurify:** AI Writing Assistant Pro - 50+ Features(Extension for google).
- **All projects are available on GitHub with source code and documentation**

CERTIFICATIONS

- * NASA App Challenge – Internal Hackathon Winner Certificate
Selected for ***Global Finalist Nomination***
- * Smart India Hackathon (SIH) 2025 – Finalist Certificate
- * Python Programming – Beginner Course
GeeksforGeeks (GFG)

LEADERSHIP & COMMUNICATION

- Secretary – Toastmasters Club (College)
- * Managed meetings and coordination activities
- * Enhanced public speaking, leadership, and professional communication skills
